## Instructions for Learn \& Have Fun during the Holidays

- All assignments have been carefully planned in such a way that students continue the learning process during the holidays, using a variety of interesting activities.
- Students are expected to bring back their charts / posters and other projects to school after the holidays.
- Parents are expected to explain each homework to the child however, the activities / projects must be the work of the child. Parental help and guidance is to be provided only where indicated / needed.
- Where a particular movie / book is not available, another movie / book of educational value may be picked up.
- All creative work (book reports, essays, sentences) should be the work of the child.
- It is mandatory for students to practice a page of handwriting twice a week.
- Students should use loose sheets to do these assignments / activities except where indicated otherwise.
- The syllabus covered so far during the $1^{\text {st }}$ Term should be revised thoroughly during summer holidays.
- Students should make their own scrap book where needed.
- With your child, read Urdu or English stories. Ask the child to repeat the story to you in his own words to develop listening and speaking skills.

## Book Report

## For Class III

## English

# Learn \& Have Fun during the Holidays Class - III (Session 2017-2018) 

## English

## All written work to be done on loose sheets.

1. Choose your favourite holiday. When does it take place? Describe how you celebrate it. Why is it your favourite holiday?
2. Think of a person you like. Why do you like this person? What does he or she do? Write a short paragraph about this person.
3. Write the recipe for Lemonade. Make a list of the ingredients. Then, write down the steps to make it.
4. Write a short paragraph about what you want to be when you grow up.
5. List the activities you do on the weekend. Choose an activity from the list and plan your weekend.
6. Compile and write a list of 15 similes using 'as' or 'like'.

## Mathematics

1. Practice writing selected numbers in words from 1 to 500 (week 1: 40-70, week 2: 120-139, week 3: 280 - 300, week 4: 315 - 335, week 5: 409-419)
2. Learn and write Multiplication tables of 2, 3, 4, 5 and 10.
3. NSPM Workbook 3A, Revision 1 pgs 73-79 and NSPM Workbook 3A, Revision 2 pgs80-82. To be done on the Workbook.
4. Use a measuring tape / metre stick / ruler to measure 5 objects in your house. Draw the objects and record the measurements in your scrap book.

## Science

1. Write five characteristics of living things and five of non living things. Draw pictures as well.
2. Recall the foods you had in your breakfast today. Ask your friend/ sibling about his/ her breakfast. See how many food groups were present in yours and your
friend's breakfast. Draw and complete following table.

| Name/persons | Breakfast <br> Items | Food Groups | What should <br> be added |
| :--- | :--- | :--- | :--- |
| Me |  |  |  |
| My friend / sibling |  |  |  |

Make your own food chart for a week, planning for breakfast, lunch and dinner. Try to compare it with the food groups in chapter 3 . Modify your eating habits if the chart does not match the food groups.
3. Limit Screen Time. Screen Time is the time we spend watching TV or playing video games. If we spend more time before TV, we will have less time to play physical games. Calculate how much time you have spent in watching cartoons and playing video games. Prepare a record of one week (preferably $2^{\text {nd }}$ week of the holidays).

## Screen Time

| Days | Screen Time | Total <br> screen <br> time | games played <br> outside | Difference |
| :---: | :--- | :---: | :---: | :---: |
|  | Cartoon/ video <br> games |  |  |  |

4. Plastic Bottle Planter:
a. Remove the cap and label from the plastic bottle and draw a large circle half way down. This will become the opening for planter.
b. Using your trowel, carefully add your soil / compost into the opening in the bottle.
c. Gently tuck plant into the soil in your bottle, and give it a light sprinkle
d. Water the plant regularly and keep it in the light and airy place.
e. (After the holidays the plant will be brought to school and kept in the class room)
5. Name three things that spoil the environment. We can keep our environment clean by reducing old things and making new things out of old ones or Recycling. Remember three Rs you have read in class 2 (Smart science 2 pg
79). Recycle an empty jam bottle and make a vase or a pencil holder. Plant at least one tree/plant during your holidays. Write the answer of following question on $1 / 4$ size chart papers.
Q. What may happen to the environment if we do not follow the three Rs?
