

Writing is empowering, and not just because it's fun to tap into that creative vein and be amazed by the riches there, writing can help children to enhance their problem solving and critical thinking. It helps to develop a healthy skepticism which leads to exploration of ideas, an enlarged worldview and a confident imagination. To enhance students' abilities of APS, DHA-II following are some creative writing topics for Grade VI-VII to write during summer vacations.

- ✓ **Being A Student Of APS How I Shall Rise And Shine**
- ✓ **Being a Student Of APS How Summer HW makes Me Lethargic**
- ✓ **Generation Gap**
- ✓ **Excuses For a Holiday**
- ✓ **Effectiveness of Schedule in our studies.**
- ✓ **Empty mind is a devil's workshop**
- ✓ **If I were the principalwhat would be the first thing I would do?**
- ✓ **How to overcome your biggest fear**
- ✓ **How to kick bad habits**
- ✓ **Examination Fever**

NOTE: Writing will be sent to APSACS Magazine for publishing.
