

Army Public School & College

DHAI Phase I

Quest for Excellence

DHAI
APS&C

Prospectus

Welcome To APS&C DHAI Phase 1

Army Public School & College (APS&C) is located in Sector B, Phase 1, DHA Islamabad.

The institution enrolls students from Play Group to intermediate and is a part of APSACS. The APSACS because of its quality education has earned enviable status and reputation among the institutions of its kind in Pakistan. It follows policies and guidelines given in National Education Policy and directives issued by APSACS in letter and spirit. Due emphasis is laid on character building and personality development of the children.

From the Desk of Vice Chairman

Army Public School & College (APS&C) DHA Phase I established in 2012 has constantly been progressing to achieve the desired academic excellence. The dedicated team of APS&C under the umbrella of Defence Housing Authority (DHAI-R) is striving hard to provide quality education & to make students positive in thoughts & innovative in ideas.

The aim is to make students self-motivated, disciplined, confident & morally upright having a spirit of sacrifice & service to the nation.

I welcome you here to a world of learning, where every child grows to their potential. The staff is highly committed to nurture the potential of every child, developing personal excellence in a caring environment. I pray; may the child blossom into a genius, bright star who may bring honour to family, school & country!

Brigadier Tariq Saeed
Vice Chairman Schools

Message By The Principal

I would like to warmly welcome you to the family of APSACS. Education is a necessity of today's highly competitive world & schooling plays the role of a foundation for every child. If the foundation is solid, the child will be groomed to a useful & responsible member of the society.

Therefore, we try to give our students an education balancing academic leadership, character building, self discovery & spiritual welfare.

The APS&C DHAI Phase 1 is well equipped with latest technology to fasten today's widening intellectual pursuits, maintaining the interactions with the parents, so that we can prepare today's student for tomorrow's world. As an educationist, it is our job to cultivate the soil in the garden of knowledge caring for our little seedlings day to day.

Thank you.

Principal APS&C DHAI Phase 1

Dr. Amina Naeem Shafi

Phd (Edn) Msc (Math)

M.A (E.P.M) B.Ed

Vision

"To be an exemplary educational institution which is future oriented, responsive to change and teaches students strive for the highest possible achievement."

Mission

"To develop young students with active and creative minds, a sense of understanding and compassion for others, and the courage to act on their beliefs. We stress the holistic development of each child's spiritual, moral, intellectual, social, emotional and physical growth to provide them to safe and caring environment where psychological, educational and social challenges can best develop the skills and character necessary to rejoin the society."

Preschool

Preschool is headed by
Mrs. Lubna Imran
(M.Ed. & Post Graduate
Montessori Diploma)

Preschool faculty members are all Montessori trained, highly motivated and well equipped with the knowledge to shape and mould the lives of young kids. They are providing safe, caring and conducive environment to the students where they grow and learn. They are

facilitating students by merging the APSACS curriculum with Montessori method of teaching, to ensure maximum independent learning through activity based teaching and developing 21st Century skills.

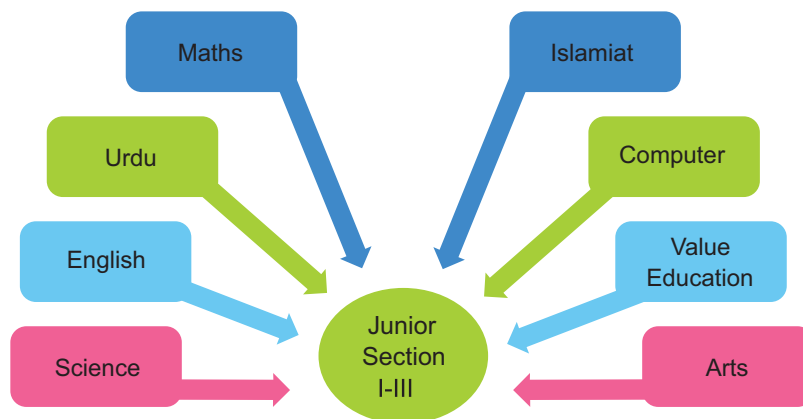

Junior Section

Mrs. Qamar-Un-Nisa Shahid
(MA Political Science)

Junior Section comprises a team of highly motivated, enthusiastic and dedicated teachers who are well equipped with latest technological skills to make the young generation

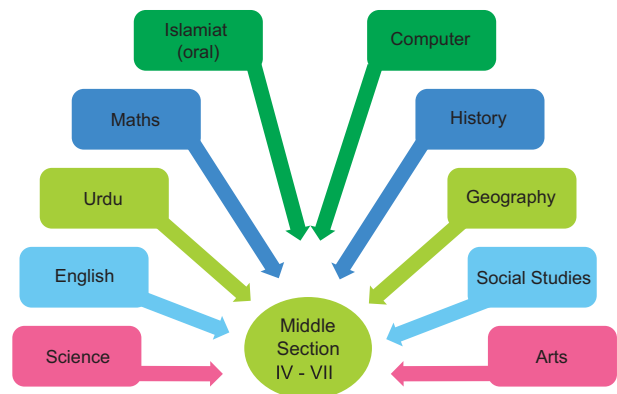

able to meet the challenges of 21st century. They set clear goals, use valid and appropriate activities to shape young minds and conscience.

Middle Section

Mrs. Mussarat Hayat
(MA English & Diploma TEFL)

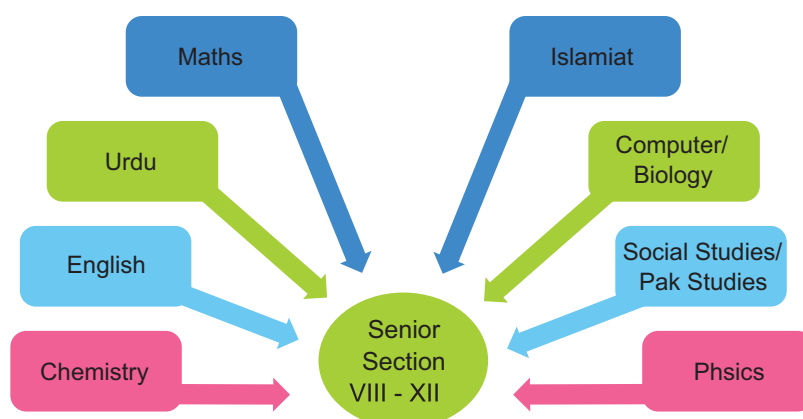

Middle Section faculty members display enthusiasm for their subject. They know how to modify their teaching strategies according to particular students, subject matter and learning environment. They are concerned with developing their students' critical thinking and problem solving skills. Use of latest technology is encouraged to keep the students abreast with modern world.

Senior Section

Mrs. Saima Naveed
(MA English Literature &
Adv. Diploma English Linguistics)

The school is affiliated with Federal Board of Intermediate and Secondary Education (FBISE) at SSC & HSSC Level. Senior section comprises highly qualified, dedicated and result oriented faculty members. The section takes pride in having two M.Phil teachers along with other subject specialists. Teachers are well experienced & well trained to prepare students for Board Exams and to meet futuristic challenges.

ISA Award Winner

APS&C DHAI Phase 1 has been accredited as international School by British Council.

INTERNATIONAL SCHOOL AWARD 2015-18

School Facilities

Medical Facilities

School maintains a proper "Sick Room" under trained nursing staff for student's safety, health and well-being. First aid facilities are available at the "Sick Room".

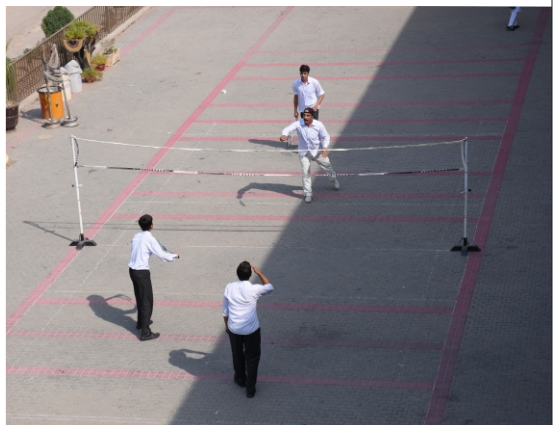

Library

The school has a fairly well stocked and well equipped library to provide a wide range of books and resources supporting learning throughout the key stages, and foster a reading and informative culture that promotes independent, motivated readers and learners.

Sports

Physical education instills a strong sense of team work, self-worth, discipline and flexibility among students. Therefore, adequate arrangements for varied physical activities for all age groups have been made in school. The school is well equipped with sport items to prepare the students under the guidance of trained female DPE and male PT Instructor to meet the fitness challenges.

Science / Computer Laboratories

Laboratory is an important mean of instruction in science because it provides training and arouses pupil's interests. The school has well equipped & well furnished Science & Computer Labs for Pre, Junior, Middle & High School. The Science lab helps in hand-on and project based activities for the students to create better teaching and enriched learning, to face the challenges of present Era.

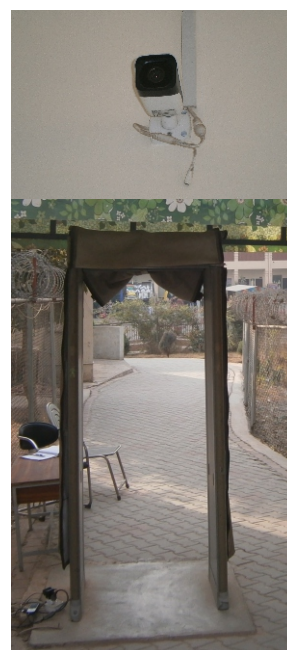

Security

The prime responsibility of a school is to ensure safe & secure environment for students. APS&C DHAI Phase 1 has taken solid security plan. These include fencing around the school building, installation of CCTV cameras, armed security guards, parking of vehicles at some distance from the school and ensuring the students drill within the premises of the school.

Tuck Shop

Light refreshments along with snacks and other eatables are available in the tuck shop.
